## President's Message

By Thomas Tang

Dear CBC members and Friends,

There is only a very short time until our annual Spring Celebration on April 16, 2005. This year, Fremont Vista Retirement Homes continues its support to CBC as the Gold Sponsor of the Spring Celebration. Washington Hospital also supports CBC as another Gold Sponsor. Aside from Gold Sponsors, other major sponsors include Yin's McDonald, Topline Properties, Bank of America, Fremont Bank and Area 3 Rotary Clubs. Let me thank all of you for your continued support and participation in this annual event. Your support signifies your approval of what we have done in the past. Your sponsorship encourages CBC to continue its mission in the future.

Speaking of future, one of the objectives of the current Board of Directors is to improve future membership benefits. CBC is a volunteering service organization. When prospective members ask questions regarding member benefits, we often tell them that member benefits are basically opportunities to help better the community. The rewarding experience of volunteering certainly encourages membership renewal. However, the job of new member recruitment can be easier if CBC can offer more direct benefits to its members.

Currently, CBC's membership benefits include our internship program and toastmaster program. These programs are educational programs. CBC also organizes a summer picnic, Autumn Moon Festival celebration, Christmas party, Chinese New Year party, and our Spring Celebration. These parties help members to expand their social circles and connections. There is also a monthly business breakfast club to help members expand their business network.

Our Board recently passed a resolution to start a scholarship program to award success in leadership and community involvement for our younger members. Additional membership benefit programs that are being developed include a Business Affinity Program, an On-line College Planning Forum, and a Family Health Internet Chat-Room.

The Business Affinity Program would allow CBC members to benefit from special discounts offered by CBC members in business. Business participants in the program will be selected and approved by the Board carefully to protect members' interest.

The On-line College Planning Forum is an email-based program where young students or their parents having questions regarding college entrance can write to a published board to ask their questions. Members who know the answers will reply to the published board to share their knowledge and experience. We will invite teachers to host the board and answer some of these questions.

The Chat-Room is another internet-based program to encourage members to share their experience on issues relating to health care. We hope we can find health care professionals to volunteer in this program to host the chat-room. All of these new proposed programs are being developed to promote membership benefit and member loyalty.

Well, so much has been said about the future. Currently, as you are reading this issue of the newsletter, Susanna Wong, the Event Chair of our Spring Celebration, Belle Chang, the Co-chair, and their team of volunteers are working very hard to execute all the planned details of the upcoming celebration at the Flamingo Palace. Many of our directors and members are also working very hard on ticket sales and additional sponsorships. I would like to take this opportunity in this newsletter to thank them for their hard work. I also would like to thank in advance all of those who will come to our Spring Celebration for their continued support to CBC. I am looking forward to seeing you at the party.

Respectfully submitted,

**Thomas Tang**  
**President**

## 13<sup>th</sup> Annual Spring Celebration

*Perfect Ten*

**Saturday, April 16, 2005  
Flamingo Palace, Fremont  
6:00 in the evening**

Mark your calendars for CBC's 13<sup>th</sup> Annual Spring Celebration event being held on Saturday, April 16<sup>th</sup> at the Flamingo Palace. This year's dinner program will be the first US debut of the very popular and talented musical group "Perfect Ten", an all female ensemble from Taiwan playing modern and classical music on ancient Chinese instruments. "We are proud to share our rich culture and heritage by recruiting and promoting Chinese American consciousness in our local community," states Susanna Wong, CBC Director and Event Chair.

Founded in 1992, Citizens for Better Community is a non-profit organization that serves to motivate Chinese-American involvement in the community in areas of education, health, business, and community service. Each year, CBC raises its operating funds through the annual Spring Celebration fundraiser with a portion of the proceeds being donated directly back to other local organizations that generously support the community as well. Past beneficiaries of the Spring Celebration have included the Fremont Senior Services, Fremont Education Foundation, Alameda County Library Foundation, Ohlone College Foundation, Washington Hospital Healthcare System, and many others. "This allows us to support other local organizations which play an instrumental role in enhancing the community we live in," states Teresa Yin Wong, CBC Director.

In addition to the debut of Perfect Ten, CBC will also be presenting its 2005 "Citizen of the Year" award to Garrett Yee and "Volunteer of the Year" award to Karen Chen. Named by The Argus Newspaper as one of the "10 People to Watch in 2003", Garrett has been an invaluable contributor to CBC and the local community at large by currently serving a four-year term on the Ohlone College Board of Trustees and staying active in CBC, Ohlone College Foundation, Mission Peak Boy Scout District, Redevelopment Appeals Board for the City of Fremont, and the Army

Reserves as a Lieutenant Colonel. Karen is also being recognized for her commendable dedication to CBC's Summer Internship Program, which provides students an opportunity to work in legislative offices around the Bay Area.

For sponsorship and ticketing information, please contact Kathy Jang at (510) 790-0740 or register online at [www.cbc-sfbay.com](http://www.cbc-sfbay.com).

## Chinese New Year Celebration

Article & photographs submitted by Gerry Low-Sabado

The Chinese New Year Celebration at the Fremont Library on February 12<sup>th</sup> was a great success! Members of SBCC and CBC worked together to bring the Chinese New Year of the Rooster – Year 4703 to the Fremont community. CBC Vice President, Josephine Chou and SBCC Vice President Gerry Low-Sabado co-chaired the event.

A few SBCC members demonstrated how to make Chinese lanterns out of beautiful red envelopes generously donated by Fremont Bank. Eager parents and children packed the area as they waited their turn to learn how to make the craft that symbolizes a part of their Chinese culture. Maria Yee, Alyssa Yee, Lauren Wodka and Ellie Wong helped the children make colorful fortune cookie pins from craft foam. The children and their parents enjoyed making the lanterns and fortune cookie pins and proudly carried them off.

Josephine Chou was able to gather many friends and acquaintances that volunteered to create very talented Chinese traditional art demonstrations in the Library Van Doorn Room. There was Chinese Calligraphy, Dough Art, Flower Arrangements, Paper Cutting Art,

and Silk Dye Art. Refreshments were provided by Roses Café, Lion's Market (Milpitas) and CBC.

Thomas Tang, CBC President, Gerry Low-Sabado, SBCC Vice President, and City Councilman & CBC member, Steve Cho, welcomed and wished the audience "Gung Hay Fat Choy!" and "Gong Xi Fa Cai!" Many talented performers provided wonderful entertainment in the Fukaya Room B. Performances included Lion Dancing, Fremont Chinese School Flute Choir, Kung-Fu Fan, White Colt Dance, Tri City Chinese School Parents' Choir, Bay Area Children Percussion Ensemble, Chinese Dance and Crystal Childrens Choir. Amy Cho helped the performers keep track of when their performance would be next and kept the events flowing in a timely fashion.

Thanks to all for the time and work volunteered to make the 2005 Chinese New Year Celebration a wonderful learning experience! Special thanks to Josephine Chou, Fremont Bank, Roses Café, and Lions Market. Thank you also to Angela Yang, Library Manager, and children's librarians Karen Pacheco and Joy Tsou, who helped Josephine and I plan and coordinate the event.

Wishing you Happiness, Good Health, Harmony, Tranquility, Prosperity, and Peace in this new year of the Rooster!

## American Cancer Society – “Relay for Life”

By Larry Hsu and Herb Chiu

The American Cancer Society – Northern California Chinese Unit – Relay For Life Team Members cordially invite you to participate in the unique Relay For Life ACS nationwide signature event. The event will be held at De Anza College in Cupertino on the 18<sup>th</sup> of June. Our main objectives are to increase cancer awareness in our community, and to raise money for cancer research, education, and patient services.

The main theme for the 2005 ACS-NCCU RFL is: “Salute to the Cancer Fighters”. Together, our volunteers and Relay team members will give up a few hours of our lives and take turns walking around the track at the De Anza College Stadium. You, too, can walk for someone you know who is battling cancer or remember someone who lost the fight. We sincerely urge you to get involved in one or more ways:

1. Put together a team as a Relay Captain
2. Join a team as a Relay Member
3. Sponsor a team and have your business represented in the Relay
4. Make a tax deductible contribution to help raise much needed research funds
5. Dedicate a luminaria candle to be lit at dusk in honor of your cancer-fighting friends
6. Dedicate a luminaria candle in memory of your lost friends or family
7. Come and enjoy the fun and meaningful event with us on 6/18/05

### **For the Youth Teams**

To encourage youth participation, we will award the community service hours to the youth that participate in our RFL event: 40 hours will be awarded to each team captain and 20 hours will be awarded to each team member. In addition, for the high schools requiring the Service Learning hours, the ACS-NCCU RFL can provide up to 8 hours of Service Learning to each team member with attending all the education program on June 18.

Our volunteers and Relay team members are able and willing to explain any of the above involvement that may interest you. If you would like to know more about the Relay event, please call the American Cancer Society – Northern California Chinese Unit at (510) 797-0600 or 1-888-566-6222.
