President's Message

By Judy Lam

Dear CBC Members and Friends,

Greetings! I wish this "whole" year of the Fire Monkey brings everyone good energy, health, happiness and many blessings.

Since I got on board as CBC's President 2 months ago, it has been a humbling and gratifying experience to be actively involved in the community events with our Board members who so graciously help me along. Here's a summary of the events thus far:

12/6/15 - Installation of Officers & Directors and Summer Intern Recognition

It was a cozy gathering at FCSN where fellow CBC Officers & Board members were sworn into office by Judge Keith Fudenna for the new term. Also, we

listened to the 5 outstanding young gentlemen in the 2015 Summer Intern program sharing their experience working in the offices of Senator Bob Wieckowski and Assembly members Kansen Chu and Bill Quirk.

To the proud parents, it was exciting to see their motivation and excellent accomplishments. To all of us in CBC, it was rewarding to know that CBC helped facilitate the training of future leaders in the Chinese American community of which we serve. Likewise, the 2016 CBC Internship program is a great opportunity for local high school Chinese American students to see the first hand operation in our elected official offices in the Tri-City and Silicon Valley. If anyone is interested, please refer to page 8 and visit CBC's Website for detailed information and application process.

Another popular program under CBC is the Toastmasters Youth Leadership Program (TYLP). For this summer, the 5 week program runs from 6/18 to 7/23. We have an excellent line-up to provide training on public speaking, organization and leadership skills. Registration is going on now, so please see page 8 for more information and visit CBC's Website for the application and waiver.

12/19/15 – Christmas Party at Aegis Garden

Regrettably, I was unable to be there until the last moment due to my flute ensemble concert which went on simultaneously. When I finally arrived, the Dream Achievers were just leaving. A few remained by the piano, perhaps hoping that Ivy Wu would keep on playing. Even then, the atmosphere was saturated with the good spirit of Christmas. Members of CBC and South Bay Chinese Club (SBCC) brought friendship and good cheers to the senior residents. Most were in festive attire with Steve Cho cheering the crowd in his trademark Santa Claus outfit. Then there were picture taking, and more picture takings, then the fellowship continued in the dining room. What a blessed gathering of good cheers and friendships.

1/23/16 – CIPCF Inaugural Lunar New Year Gala

The Chinese Immersion Parents' Council of Fremont (CIPCF) hosted a wonderful fundraiser gala with David Louie, ABC7 News Anchor as Master of Ceremony and Professor L. Ling-Chi Wang. At the opening of the program, Darrian White, President of CIPCF, graciously acknowledged CBC's support of the Fundraiser and the Mandarin Immersion Program. Twelve members from CBC Board were among the guests, and it was an enjoyable evening with banquet and entertainment. We were glad to applaud the growth of the program from a mere 28 students in 2010 to 250 students now. CIPCF hopes to continue paving the way towards the first Mandarin Immersion High School Program in California. See page 7 for more details on the gala.

1/30/16 – Chinese New Year Celebration at the Fremont Main Library

CBC, together with the Fremont Library and South Bay Chinese Club (SBCC), co-hosted a wonderful variety show emceed by Lena Zee, as well as arts and crafts activities to celebrate the Year of the Fire Monkey. According to Amy Cho, children made about 150 fortune cookies and about 150 lanterns on the arts and crafts side. During the show, the younger children eagerly sat on the floor in the front so they wouldn't miss the show. It was a very good turn out of about 300 at various times. Young children sat on the floor in the front and many stood in the back and both sides of the room. From toddlers to seniors, it was a very warm atmosphere filled with enthusiasm to welcome the new year. In Asia, Chinese New Year is a big national holiday to be celebrated for days. However, for overseas Chinese, the daily routines at schools and work make it difficult to keep up the tradition. Therefore the Chinese American community here really appreciated this wonderful tradition to have this communal celebration for the Chinese American community at the Library.

1/31/16 - Meal Service at Sunrise Village

Thanks to Sherry Chang for coordinating volunteers for meal services at Sunrise Village. The kitchen at the Village is spacious and pleasant to work in. It will be a great opportunity for our CBC parents and your high school students to share some meaningful community experience together. If you are interested, please contact Ms. Sherry Chang at sherry.y.chang@gmail.com. Below are the future dates that the youths will be serving meals.

Sunday ~ 5/22/2016 Lunch
Saturday ~ 7/30/2016 Dinner
Sunday ~ 10/30/2016 Dinner

2/8/16 – Chinese New Year Celebration at Carlton Plaza

For so long, Carlton Plaza has accommodated CBC to hold our Board meetings in their facility. In appreciation to Carlton Plaza, and thanks to Steve Cho's coordination, CBC was able to entertain the senior residents at Carlton Plaza with the festive performance of Lion Dance on Chinese New Year. We look forward to more of such celebrations and interactions with our host in the future. See page 5 for more details.

2/26/16 – Fremont Education Foundation Excellence in Education Gala

We appreciate Ivy Wu for generously sponsoring a table on behalf of CBC and FUSS (Fremont Unified Students Store). Some of CBC's Board members will attend the Gala during which Kristi Yamaguchi will be recognized as the 2016 Community Honoree; and Linda Anderson as the 2016 FUSD Honoree. On a separate note, I would also like to mention that the Virtuoso International Flute Ensemble will give a Benefit Concert for FEF's After School Band Program on 4/16/16, please stay tuned.

President's Message Continued on page 4

President's Message Continued from page 3

Briefly, CBC's annual Spring Celebration Gala will be on 4/23/16 at a brand new venue, the Royal Palace. Co-Chairs, VP Herbert Chiu and Board Member David Bonaccorsi are leading the preparation in full swing with the Planning Committee. Please read more about this event in the next column and visit our website www.cbcsfbay.org for updated information. Looking forward to seeing you and your guests at "Club Monkey." It will be fun!

On a sad note, as the Taiwan nationals were preparing to celebrate Chinese New Year, a 6.4 magnitude earthquake hit the southern Region around Tainan. One high rise building completely collapsed. As a result, 116 precious lives were lost. About 300 survived, yet many may still be missing. Investigation is ongoing to determine if tin cans were used as fillers in the collapsed walls of the high-rise. The integrity of the builders had direct implications to the integrity of the building structure. Unfortunately, irresponsible compromise might have led to the deadly consequence that deeply affected the lives of those who depended on them. We send our condolences to the families of the victims.

The Founders of CBC commissioned our Board and members to initiate, sponsor and promote community events, which will affect the well being of Chinese Americans with an emphasis on education, health, business and community involvement. I may add, I am thankful to the vision of our Founders and I am honored to serve among our distinct Board members who understand virtue and integrity are key elements that have kept CBC's mission sound and thriving.

Again, blessings to all this "whole" year!

Respectfully,
Judy Lam
2015-2016 CBC President

The Return of the Monkey King - Remembering the '70s 紅猴報春暉 - 24th CBC/CBCF Spring Celebration

By Herbert Chiu / David Bonaccorsi
(Spring Celebration Co-Chairs)

According to the Chinese zodiac signs, 2016 is the Year of The Red Monkey. When it comes to the monkey, the Chinese immediately think of **Sun Wu Kong 孫悟空** - the Monkey King. According to legend, the Monkey King was placed in an elixir distillation pot for 49 days but, miraculously, he came out unharmed and gained even more power. The Buddha imprisoned the Monkey King for his destructive behavior until he was released by Guanyin. The Monkey King then became one of 3 disciples who protected a monk in the Tang Dynasty for his journey to India to retrieve the sutras of the Buddha. The Monkey King legend was told in *Journey to the West*, one of the most popular novels published in 16th century China.

The last Year of the Red Monkey was 1956 - the year many baby boomers were born – amazingly now already 60 years ago! These baby boomers – with their own Monkey King energy - came of age graduating from high school and college in the decade of '70s with fond memories of such TV shows as *American Bandstand* and *Midnight Special*, and classic rock bands as the *Rolling Stones*, *Eagles*, *Beatles*, *Doobie Brothers*, and *Led Zeppelin* and, of course, *Disco Fever!*

Join CBC/CBC Foundation on **Saturday, April 23, 2016**, for *The Return of the Monkey King* with a Prime Rib Dinner and wine. Then be invited to enter our very own exclusive Club Monkey (and more exclusive than Studio 54!) with its disco-era lit dance floor, with a tribute to a special mystery '70s rock legend, Disco dancing and more...

You don't want to miss this event!

Carlton Plaza Senior Living Celebrates Chinese New Year

Submitted by Steve Cho

On Monday, February 8, 2016, CBC helped Carlton Plaza Senior Living to usher in the new lunar year - Year of the Monkey. CBC provided Carlton Plaza residents with enjoyable entertainment during their evening dinner. The residents were presented with a spectacular Lion Dance show. Of course, the theme of the dinner that evening was celebrating Chinese New Year. Having a Lion Dance show fit right into that theme. The residents and staff thoroughly enjoyed the show! Even several days after, we are told that residents are still talking about the show and what a good time they had.

CBC was very glad to sponsor the show. Thanks go out to Melanie Bazan, Carlton Plaza Activities Manager and to George and Florence Wong (residents of Carlton) for helping to coordinate the entertainment. Just a tidbit of info....George and Flo are uncle and aunt of long time CBC members Ken and Bernadette Chinn.

Chinese New Year at Fremont Main Library

Submitted by Amy Cho

In preparation for Chinese New Year, Citizens for Better Community (CBC), sister organization South Bay Chinese Club (SBCC), and the Fremont Main Library sponsored the 17th Chinese New Year program at the Fremont Main Library this past January 30, 2016. This program involved many, many people. Some participated in an hour-long performance. Others demonstrated Chinese traditional art. In total, the community enjoyed a free 3-hour event to celebrate Chinese New Year 4713, Year of the Monkey. Chinese New Year actually started on February 8th this year.

Karen Pacheco, Elizabeth Gamell, and the entire Fremont Library staff spared no efforts to make us all welcome and comfortable in the library. The Fukaya Room was packed with an audience that watched the varied performances. The audience was first welcomed officially by Elizabeth Gamell (Children's Department of the Fremont Main Library), Judy Lam (President of CBC), and Randy Sabado (President of SBCC). Outside there were areas where people could watch and participate in the art of paper cutting. In the Storytime Theater, SBCC manned tables where children watched and experienced hands-on fun with doing Chinese Crafts. The children made Chinese lanterns and Fortune Cookie pins. Fabulous decorations were found everywhere, especially in the Fukaya Room. Chinese lantern decorations hung from the ceilings. Walls were equally decorated for the celebration.

The Chinese New Year celebration was organized by Amy Cho, Steve Cho, Cecilia Leon, Aliene Yee, and Karen Pacheco. Spring Kao and Instructor Chang of the Mission San Jose (MSJ) High AP Chinese Class

organized MSJ students to handle Chinese paper cutting. Contributors for the fabulous lantern decorating and library decorations included: Steve Cho, Aliene Yee, Jack Yee, Gerry Low Sabado, Randy Sabado, Alissa Yee, Angelina Heywood, Cecilia Leon, Colleen Woo, Doris Eng, Gladys Lee, Jasmine Tabili, Kyle Leon, Michi Yee, Linette Young, Les Young, Lorrie Wong, Ron Wong, Lucy Tom, and Serena Suranyi, Mary K Lim, and Gene Lim. The Event Committee included the names above and additionally Peggy Chiou for Poster and program designs.

Our thanks go to Emcee Lena Zee. Performers included members and directors from the following organizations: Judy Lam (Director/Conductor Virtuoso International Flute Ensemble), Carole Diamond (Principal at Azevada Elementary School, Mandarin Immersion Program) with contacts Yung Pei Choy and Jeff Bowen, Dr Li-Ling Chen (Fremont Chinese School, Teacher for Chinese Yo-Yo), Yongping Tian (Director of the California Youth Chinese Symphony) with contact Duny Lam, Sherina Hong Li (Instructor at Academy of Chinese Performing Arts), Master Li (Director of the Legend Kung Fu Academy), Hwei-Min Wu Lu (Director of the Choir, Friends of Children With Special Needs).

Anna Muh, Randy Sabado, Ron Wong and Joe Zerda provided “security services” making sure there was good flow for library traffic and proper seating during the show.

The event received donations of red envelopes (used for making lantern crafts) from Fremont Bank and HSBC Bank. Thanks to the Fremont Main Library for getting the sound system and seating prepared for the event.

CBC, SBCC, and the Fremont Library have once again kept up the traditions of the Chinese Lunar New Year. Hooray for the Year of the Monkey!

CBC/CBCF Celebrates 2016 Lunar New Year Gala Fundraiser for Fremont Unified's Mandarin Immersion Program

Submitted by David Bonaccorsi

On Saturday, January 23, 2016, the Chinese Immersion Parents' Council of Fremont (CIPCF) sponsored the first-ever 2016 Lunar New Year Gala Fundraiser for the Fremont Unified School District's highly successful Mandarin Immersion Program at Azevada Elementary School.

The mission of the FUSD Mandarin Immersion Program "is to develop lifelong learners and well-rounded global citizens in an academically excellent, socially aware, and technologically advanced environment promoting Chinese language and cultural awareness." This program was launched 5 years ago in 2011 with one kindergarten class with the leadership of the Fremont Unified School Board, including former Fremont Unified School Board Trustee Ivy Wu and former School Board Trustee and now Fremont Vice Mayor Lily Mei, and the financial support of CBC/CBC Foundation (CBCF).

In celebration of CIPCF's 2016 Lunar New Year Gala, members of CBC/CBCF were joined by local dignitaries and parents who came together in a festive setting at Fremont's Asian Pearl Seafood Restaurant, enjoying a 9-course Chinese banquet. We were wonderfully entertained by Fremont-based Thunder Kung Fu Academy, with their breathtakingly stunning martial arts demonstrations, and their highly energized and choreographed lion dances.

The Gala attendees were welcomed by Fremont Mayor Bill Harrison who recounted his own son's experiences with his initial struggles and then accomplishments as a student in the Mandarin Immersion Program at Azevada.

The keynote speaker was the well-renowned Professor L. Ling-Chi Wang. Professor Wang has taught at UC Berkeley and chaired its Asian American Studies and Ethnic Studies departments. Professor Wang helped found immersion programs in the San Francisco public school district and planned the Fremont's Immersion Program and had a personal motivation in seeing it succeed – the program opened just in time for his granddaughter to enroll in kindergarten at Azevada. Professor Wang spoke movingly about overcoming resistance in the educational community to bilingual programs as studies conducted over the years confirm that mastery in Mandarin strengthens mastery of English.

This Gala also featured local TV media celebrity David Louie of ABC 7 who then broadcast the event on ABC 7 throughout the Bay Area.

From its one kindergarten class back in 2011, the Mandarin Immersion Program has now grown to 10 classes, with 2 classes in grades Kindergarten through 3rd grade, a fourth grade class and a fifth grade class, and an enrollment of more than 250 students. CBC/CBCF is proud to have partnered with CIPCF in the flowering of Fremont Unified's Mandarin Immersion Programs and looks forward to supporting this program's continued success and expansion to junior high in the near future.
