## President's Message

*By Charles Liu*

Dear CBC Members and Friends,

We just had another successful CBC Spring celebration on April 27, 2019. As usual, as the president of CBC, I got the opportunity to speak and other than the customary and almost obligatory mentioning of our TYLP, Internship, and homeless shelter food services etc., I told the audience another very heartwarming story that I personally experienced last year. Let me share that with you, since many of you did not get a chance to go to the celebration.

Last year, I told the story about meeting Suvas 30 years ago on the airplane, the guy who let me stay at his house, and when I asked him how I should pay him back, he said just help the next person in need. Great! I think this year's story will be equally heartwarming and inspiring.

On September 25, 2018, my good friend was getting married in San Francisco City Hall. After the ceremony, we drove to San Francisco Palace of Fine Arts to have pictures taken and we stopped by this Restaurant for lunch called Blackwood near Lombard Street. It was kind of late so there weren't too many other people. So, we ordered our food and had a good meal there. When we were done, I asked for our lunch check. The restaurant told us it was already paid for! And the person did it anonymously! She really didn't want us to know who she was, but fortunately the restaurant owner had the receipt. It was paid for by a credit card which has the payer's

name on it - Becky J.! So, thank you Becky! Please share this story and spread the good word about this wonderful loving person named Becky J.! Your great deed actually became the most memorable part of Sean's wedding day and you have indeed made the world a better place!

Who says there's no free lunch? We were lucky to get one. But then, you know what, there's really no free lunch. Someone actually has to pay for it. We have to pay them back. If we all care more about people beyond our immediate family, then there will be more free lunches, and our community will be indeed be stronger and better!

Thank you!

## Side by Side Symphony Concert

*By Charles Liu, CBC President*

I think I just discovered the real reason why Fremont was voted the Happiest City in the US many times in the past - it's the Symphony concert! It's very refreshing to see a high level joint musical event by Fremont Symphony Orchestra (FSO) and Fremont Youth Symphony Orchestra (FYSO), in a time and place saturated with the news and talk of technology, software, and real estate in Silicon Valley. Cultural and musical events like this organized by Judy Lam gave me a welcome break from my hectic life, and I particularly enjoyed the classical musical pieces and the background stories explained by director Jung-Ho Pak. But I also think it's a sad fact that FSO and FYSO remain somewhat of a best kept secret in Fremont. People will be pleasantly surprised once they find out there is a high-level symphony in Fremont. There should be more awareness campaigns to get the word out. They add great value and enrich our culture and community in Fremont, and that's why Citizens for Better Community is proud to support the Fremont Symphony Orchestra.

It's great to see that hard-working school musicians, who are already very good, get the opportunity to play alongside and observe the real adult professionals. The synergy created by the event is very uplifting and the symbolic meaning was not lost on the audience - Fremont Symphony should have a steady supply of new comers to remain prosperous and I hope events like this will continue and become more regular. Congratulations to Fremont Symphony Orchestra and Fremont Youth Symphony Orchestra for another flawless and successful musical event!

## CBC Spring Celebration Gala Beneficiaries

*By Charles Liu, CBC President*

CBC's Spring Celebration was held on Saturday, April 27, 2019 at Chandni Restaurant in Newark. This annual gala is a major fundraiser for CBC to further its mission of supporting many locally based non-profit and community organizations in Fremont, Newark and Union City. The funds raised from this year's Spring Celebration - in addition to the many other organizations CBC supports throughout the year - will be donated to the Fremont Symphony Orchestra, Ohlone College Foundation and the Chinese Bunkhouse Preservation Project.

On Tuesday, May 28, 2019, I was honored to represent CBC by attending the Scholarship Awards Reception held at the Smith Center at Ohlone College to present a check. Numerous scholarships were awarded to deserving Ohlone College students.

The Washington Township Museum of Local History hosted their Annual Appreciation Lunch on Sunday, June 2 at the Swiss Park Hall in Newark. Again, on behalf of CBC, I was privileged and honored to attend the luncheon and present a check for the Chinese Bunkhouse Preservation Project.

## “Ignite Your Passion” a Success

On Saturday, April 27, 2019, about 300 people gathered at the Chandni Restaurant in Newark to celebrate CBC's 27<sup>th</sup> Annual Spring Celebration with the theme of “Ignite Your Passion! Year of the Boar.”

As President Charles Liu said in his message for the program book “Indeed it's not easy to go beyond our own family responsibilities to get involved with the community, since most of us have to balance life's demands in one of the highest costs and high stress areas. So, we all need to re-ignite our passion to serve and strive for something larger than ourselves. And there is no better way to do this than surrounding yourself with positive people that are around you in this gala. Their dedication and service can really be an inspiration for all of us. Many of the founders and early Board members are still actively serving CBC after 27 years, passing on the institutional knowledge to new board members and making sure CBC stays true to its mission. And at the core of CBC's mission is service - service to community, service to the world, and service to humanity.”

The evening's entertainment was enjoyed by all which included a stunning Wushu demonstration, an elegant Chinese folkdance and beautiful music performance by the Fremont Symphony Quartet. The evening ended with dancing to live music by the IdeaBand.

## CBC Adult Toastmasters

By Arunavaa Mukherjee  
Vice President, Education, CBC Adult Toastmasters

Spring brought its spirit to CBC Toastmasters and many members joined our club, bringing a breeze of fresh stories with them!

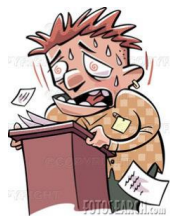

The most significant happening was the District 57 spring conference. Justin Paras, a member of our club hosted the Conference in San Ramon. Many of our members supported him by taking several volunteer roles. The conference was very engaging. Ramona J. Smith, champion of Toastmasters International Speech contest, was the keynote speaker where she shared the secret recipe of an award-winning speech. A lot was learned during the break-out sessions. We received more than we gave!

If you happen to visit CBC Toastmasters at Unitek College on a Saturday morning at 10:15 a.m., you would witness a variety of interesting speeches. A few members are preparing for their ice breaker speeches while others are stirring up interesting stories from their own experiences. Side by side, Table Topic and Evaluation are the two parts of our meeting where we could loosen ourselves up and learn from our mistakes.

Our nomination committee, run by our past president Alfred Garrett is working hard for our upcoming officers' elections. Members voted on June 1<sup>st</sup>. New officers will take charge from July.

Our members are currently working on a special project, suggested by one of our senior members, Brian Goodman: "The 7 Habits of Highly Effective People" by Stephen R. Covey. Members are giving speeches based on the habits of the book and tying it with their project which they are working on.

Summer is going to be fun with the teens in Youth Leadership Program (YLP). It needs a huge preparation and several members from our club will be a part of the coaching team. At the same time, other members will still be holding the meeting at our regular venue. Everyone is welcome to learn to be a better communicator with CBC. I am so proud of her and all the Chinese Railroad Worker Descendants and Friends who traveled to Promontory Summit, Utah to Celebrate the 150<sup>th</sup> Anniversary of the completion of the Transcontinental Railroad and the Golden Spike event on May 10, 1869. It was very satisfying to represent our ancestors and all those railroad workers whose remarkable and monumental achievements to build and complete the first Transcontinental Railroad, yet have gone unrecognized all these years!! ## SBCSC Scholarship Awards Banquet

By Randy Sabado  
SBCSC Scholarship Committee Chair

On Wednesday, April 10, 2019, the South Bay Chinese Service Club (SBCSC) awarded \$25,500 in scholarships to 21 graduating high school seniors of Chinese descent at the 49<sup>th</sup> annual SBCSC Scholarship Banquet held at the Union City Mayflower Restaurant. SBCSC President Joe Woo greeted the graduates and praised them for their outstanding academic records, participation in community activities, and gave a history of the South Bay Chinese Club. Honored guests included Alameda County Supervisor Scott Haggerty, City of Fremont Mayor Lily Mei and Fremont City Council Member Teresa Keng.

The graduating students and their parents were addressed by keynote speaker, Dion Lim who is TV news anchor and reporter at ABC7/KGO-TV in San Francisco. Dion spoke about her challenges in becoming the first Asian American woman to ever hold a full-time anchor position in each television market she's anchored in. In her speech to the students and parents, Dion gave an inspirational presentation stressing that you didn't have to be the smartest, most athletic, or prettiest student to ultimately succeed citing

herself as a prime example. She also emphasized that if you witness or hear something which is wrong or discriminatory that you must stand up and challenge it.

Before the announcement of the scholarship award winners, all the students received Certificates of Special Recognition from Alameda County Supervisor, Scott Haggerty. Although unable to attend the banquet, U. S. Congressman Ro Khanna and Eric Swalwell, State Senator Bob Wieckowski, State Assembly member Bill Quirk, State Assembly member Kansen Chu and Alameda County Supervisor Richard Valle provided Certificates of Recognition ahead of time to be distributed to the students during the ceremony. The 21 scholarship winners this year are an impressive group of scholars representing 6 high schools in Fremont, Union City and Newark. The average unweighted GPA was 3.91 and the average weighted GPA was 4.37. They amassed a total of 8,515 community service hours. In this group there were 3 National Merit Finalists, 7 AP Scholars, 7 students with a perfect unweighted 4.0 GPA's, 1 Girl Scout Gold Award, 5 Presidential Service Awards (Gold), a Ranked Top 10 Rolex National/World Jr. Golf Class, and one student who has a US Patent Publication.

# Chinese New Year Celebration

By Amy Cho  
CBC Social Activities Committee

Citizens for Better Community (CBC) and sister organization South Bay Chinese Club (SBCC) and the Fremont Main Library sponsored the 20<sup>th</sup> Chinese New Year program at the Fremont Main Library this past February 16, 2019. This program involved many, many people. Some participated in an hour-long performance. Others demonstrated Chinese traditional art. In total, the community enjoyed a free 3-hour event to celebrate Chinese New Year 4717, Year of the Pig. This year the actual Chinese New Year took place on February 5, 2019.

Chien-Chun Chang and the entire Fremont Library staff spared no efforts to make us all welcome and comfortable in the library. The library worked with SBCC and CBC to produce beautiful programs and posters. Fukaya Room was packed with an audience that watched the varied performances. The audience was first welcomed officially by Chien-Chun Chang (Acting Children's Library Manager) of Fremont Main Library, Charles Liu (President of CBC) and Joe Woo (President of SBCC).

Outside there were areas where people could watch and participate in the art of paper cutting. Additionally, this year, there was face painting! The small study rooms in the Children's Library became face painting rooms! A Riddle Game, organized by Chien-Chun Chang, was also on-going throughout the afternoon. In the Storytime Theater, SBCC manned tables where children

watched and experienced hands-on fun with doing Chinese Crafts. The children made Chinese lanterns and Fortune Cookie pins. Fabulous decorations were found in the Fukaya Room. Chinese lantern decorations hung from the ceilings. Walls were equally decorated for the celebration.

The Chinese New Year celebration was organized by Amy Cho, Steve Cho, Chien-Chun Chang, Cecilia Leon, Gerry Low Sabado, Aliene Yee, Linette Young, and Peggy Chiou. Spring Kao and Instructor Qian Zhang of the Mission San Jose (MSJ) High AP Chinese Class organized the MSJHS Chinese Culture Club students to handle Chinese paper cutting. Students from MSJHS Chinese Culture Club who participated were: Nancy Guo, Weiqi Huang, Tong Jia, Katherine Jin, Jihang Li, Zihao Li, Yunfan Long, Ching Yi Wei, and Zimo Zhou. Some of these students also helped to run the Riddle Game. Volunteers who did Fortune Cookie and Lantern Making in the Storytime Theater included: Doris Eng, Angelina Heywood, Cecilia Leon, Kyle Leon, Gerry Low Sabado, Serena Suranyi, Stephanie Szto, Lorrie Wong, Colleen Woo, Aliene Yee, Michi Yee, and Michiko Zerda. Many volunteers and members decorated the Library on Friday and Saturday: Chien-Chun Chang, Amy Cho, Steve Cho, David Lam, Charles Liu, Cecilia Leon, Wing Ng, Gerry Low Sabado, Randy Sabado, Lorrie Wong, Ron Wong, Aliene Yee, Linette Young and Joe Zerda. painting, arranged by Chien-Chun Chang with the Grit Art and Tech Association, was provided by Zhizhou Hu, Alena Rice, Vincent Li, Annabelle Zhou, Michele Lin, Diane Cai, Allison Li, and Kelly Feng.

Our thanks go to Emcee Lena Zee. Performers included members and directors from the following organizations: Grace Lai and Judy Lam (Fremont Youth Symphony Orchestra and Virtuoso International Flute Ensemble), Brian Lee (Performance Organizer for the Azevada Elementary Mandarin Immersion Program), Dr. Li-Ling Chen and Ming Chao (Fremont Chinese School, Teachers for Chinese Yo-Yo), Yongping Tian (Director of the California Youth Chinese Symphony) with contact Duny Lam, David Chen (Academy of Chinese Performing Arts), and Master Li (Director of the Legend Kung Fu Academy).

Anna Muh, Joe Zerda, Randy Sabado, Ron Wong and David Lam provided "security services" making sure there was good flow for library audience/performer traffic and proper seating during the show.

The event received donations of red envelopes (used for making lantern crafts) from Fremont Bank. McDonald's Corporation donated colorful 2019 calendars to all the performers. Thanks to the Fremont Main Library for getting the sound system and seating prepared for the event.

CBC, SBCC and the Fremont Library have once again kept up the traditions of the Chinese Lunar New Year. WOW! So many volunteers donated their time and efforts!

Hooray for the Year of the Pig!
