President's Message

By Ivy Wu

Dear CBC Members and Friends,

It is hard to believe that summer is almost halfway over! Since we do not have meeting every month this year, we have not been able to touch base with each other much, and I do miss everyone!

This summer seems to be exceptionally busy due to the many ongoing discussions among various chat groups that I have been invited to join lately. Most of these chat groups are made up of Chinese American parents from Mainland China who have young children in school. They have been alerted to the potential consequences if Chinese Americans remain inactive and apathetic towards social, economical, political, educational and other issues in the society-at-large; and they are asking for guidance and support to get involved and be heard.

CBC has been looked upon as a Big Brother by many. I am hoping that CBC will act in a capacity, not so much as the leader, but as a role model to these parents. I would like everyone to see how CBC participates in helping the City of Fremont and neighboring cities make progress towards being a better, safer, greener, more vibrant and healthier community for all. I would like these parent groups to learn from us so that they could also find ways to help build up their schools, cities and communities.

At the same time, I hope CBC members will be able to learn from these young parents to relate and communicate with each other better. Maybe we can

Toastmasters Youth Leadership Program a Success!

By Anna Muh

What a team!!! We did it successfully again. Seeing the students grow and learn the public speaking, organization and leadership skill over the 5 weeks is the best reward to all of us.

The core team put a lot of effort into this program, your dedication and support really touched my heart. I know you didn't have to do it since most of us don't have kids in the program anymore but you still give your 100% to support this program. Without you, this program won't run so smoothly and successfully. I truly appreciate your help.

This is a relatively small team but it is so powerful and efficient. Jenny Gau single handedly got the student binder in place. Anny Kan and Albert Wu were on site every single week. Wing Ng lost a lot of sleep over the meeting/facility logistics. Steve Cho got the awards in place and secured all judges for the program contest. Wendy Wong made sure we had good food with the best price and no waste. She even drafted her daughter Rachael to help out. Richard Muh got all the material from Toastmasters and made thousands of copies of the class material. And of course our courageous leader - CBC President Ivy Wu, always gives us and the program the encouragement and best support.

Thank you all!!!
