### **President's Message**

*By Charles Liu*

Dear CBC Members and Friends,

I am honored and humbled to be re-elected by CBC's Board of Directors as the 2018-2019 CBC President. It's really an honor and privilege to continue to serve Citizens for Better Community, a Fremont based, 26-year-old non-profit organization with enduring traditions in civic engagement which will affect the well-being of Chinese Americans with emphasis on education, health, business, and community involvement.

What distinguishes CBC from other organizations that I was involved with is that the 80-20 rule has a slightly different meaning - 80% of the Board members are really active and they contribute significantly to all CBC events in their own ways. It's relatively easy to be the President of this great organization because so many Board members help proactively and they all have the leadership skills and capability to be a president in an organization. I have been constantly inspired by fellow Board members and am fortunate to work on so many meaningful events and projects.

#### **Overview of 2018**

Recognizing that our members don't have many opportunities to get to know each other and the Board members, we began the year with a "Membership Appreciation Luncheon" to connect with our members. The luncheon took place in a casual setting attended by many, who were able to just mingle and to meet new and familiar faces.

We experienced the biggest explosion of applications for our summer public speaking program - Toastmasters Youth Leadership Program (TYLP). Through WeChat advertising, we immediately reached our maximum enrollment of 60 students and the wait list of a potential second session also filled up quickly.

The summer internship program which places students in legislative offices similarly saw an increase in the number of applicants. The Chinese American community in Fremont, as well as immigrant parents know the importance of public speaking and communication skills, and not only do they enroll their kids in public speaking programs, many of the parents also signed up with the adult CBC Toastmasters program! (See page 5 for more information on Adult Toastmasters.)

This year, CBC was happy to 'discover' and newly connect with OMC (One Myanmar Community), a major non-profit organization in the Bay Area with Myanmar Americans and immigrants. Their Board of Directors have come to CBC Board meetings as guest speakers and we have supported and participated in each other's events.

With participation from the Myanmar, Muslim, Indian,

African and Caucasian communities, we all got together at Fremont's Central Park to hold a premiere One Community, One World concert to promote inclusion and community harmony.

CBC has long been an active participant in Fremont's 4th of July parade. This year, through the hard work of two very capable and creative CBC interns, Ivy Zhang and Rachel Lin, they implemented Board member Steve Cho's idea to make CBC's 4th of July Choo Choo Train which won the parade's People's Choice Award!

Steve Cho's Uncle Sam rendition in Fremont's 4th of July parade has become an event classic, and that is just one of the many reasons why Steve and Amy Cho will be so missed by the Fremont community. They have moved to Roseville to be closer to their family. A going-away surprise party, organized by Lena Zee, was attended by close to 150 well-wishers from over 40 main stream non-profit organizations. This attests to the respect they have for Steve and Amy.

Con't from page 2....President's Message

With CBC's strong connection and placement in the Fremont community, CBC hosted a reception to welcome the new Fremont Police Chief Kim Petersen and to recognize retired Chief Richard Lucero's 30+ years in law enforcement.

It is little wonder then in September 2018, CBC was awarded the Community Organization of the Year 2018 by UCA (United Chinese American), a new nationwide federation of Chinese American non-profit organization that has the most momentum in the country right now. These are just some of the very many events and things CBC does that have earned its reputation as the most respected Chinese American non-profit organization dedicated to community service.

Major General Garrett Yee, a lifetime CBC member and 2001-2003 CBC President, accepts the award on CBC's behalf in Washington, DC; award presented to CBC by FCSN's Program Director Anna Wang

### **Looking Forward**

CBC has grown beyond its Chinese American founders to be more inclusive and have attracted members and Board members from other ethnic backgrounds. Going into 2019, we are very well positioned to further CBC's new birth of new enthusiasm in community involvement, with a few

new Board members: Henry Liang, Judy Wang and Kathy Kimberlin. They were voted in by the CBC membership via CBC's election ballots.

The new Board members will bring in new resources and enthusiasm to help CBC launch other programs that will benefit the Fremont community. Henry Liang has been applauded for starting a WeChat group that enables parents to share college application experiences and expertise. This new and free platform greatly helps parents and students in meeting one of their greatest needs of making the right decisions in the college application process. Julie Wang was an outstanding parent volunteer in our 2018 TYLP and her employer generously donated the award items for the final TYLP speech contest. Kathy Kimberlin is a great addition to our board due to her passion for Fremont and long history of community non-profit leadership with the Fremont Education Foundation, Boldly Me and Fremont Rotary, to name a few.

As President, along with all of the Board's leadership, we hope to continue to strengthen and expand our marquee programs such as the Toastmasters Youth Leadership Program, and start the Gavel Club, a student-run, year-round public speaking club so that more students can benefit from this very valuable platform to develop leadership skills and improve communication skills. We will also continue to expand our internship program to include career internship program beyond our traditional elected office internship. A dental internship pilot program has already started and other career internship programs have been planned. We are in need of proper venues to accommodate these programs and if you have resources that can help CBC, please contact us. We really appreciate it. We would like to continue to provide high quality and high value programs to our students free of charge.

We hope to start new efforts to strengthen ties to other Chinese American community leaders and work together to help Chinese Americans become more active and effective participants in the Fremont community. I am very hopeful that we will have an even more successful year. In closing, I would like to thank the CBC Board members for their support in re-electing me to be President, and together may we strive to perpetuate this CBC's new birth of community service with Enthusiasm!

Thank you!

Charles Liu  
CBC President 2018-2019

## Homeless Shelter Meal Service

*Submitted by Sherry Chang,  
Leader for CBC's Youth Volunteers*

By 4 p.m. on September 29, 2018, most of the student and adult volunteers have already signed in at the front desk, ready to roll up their sleeves and start making meals for the residents at Sunrise Village Abode Services. "Is tomato sauce used today?" asked a front-desk staff. After hearing our answer, she turned to a resident, "It's your lucky day, no tomato sauce." In fact, it's a lucky day for many residents, as they only get to indulge in CBC's signature dishes 4 times per year - roasted chicken drumsticks and steamed cabbage with honey bacon.

After a few basic instructions, various spots of the kitchen were occupied with helpers busy with their assignments. A front-desk staff walked in with 14 empty meal boxes. These were for some staff and residents who would be eating their dinner after the regular serving time (5:45 p.m. – 6:15 p.m.). By 5 p.m., it was time to pick up the fried rice from Marina Food – donated by a CBC member. At 5:42 p.m., the serving windows opened up to a few residents eagerly waiting in the dining hall. "Two adult plates and one child plate"; "Can I have a plate with no cabbage?"; "Siracha please."; "The waffle cookies are tasty, can I have more?" – the students took orders and juggled. More lemonade and orange juice were made as they ran out. The last plate was served around 6:20 p.m. as there were a few late comers. The sun was setting when we signed out of the kitchen rejoiced with knowing that the residents enjoyed the meals!

The meal services scheduled for **2019** are as follows:

- **Saturday, March 30 (dinner)**
- Sunday, June 23 (lunch)
- Saturday, August 31 (dinner)
- Sunday, September 29 (dinner)

## CBC Installation and Internship Luncheon

On Sunday, November 18, 2018, Citizens for Better Community hosted their Annual Installation of Officers and Directors Luncheon along with recognizing the 2017-2018 Interns.

The Officers and Directors have committed their valuable time during the past year by attending monthly meetings and coordinating various events. With the dedication from the Officers and Directors, CBC has become an organization that is well recognized within the community. CBC acknowledged the past Board members as well those continuing on the Board. Three new Board members were welcomed and CBC looks forward to their fresh ideas. The 2018-2019 Executive Officers and Board of Directors list can be found on page 11.

This year, along with the summer legislative interns, we had two Community interns and a career intern. The summer interns were recognized for a job well done in the legislative offices. The Community interns are helping throughout the year with CBC events and activities. The career intern is shadowing in a dental office. At the luncheon, the interns shared their most valuable lesson or inspiration from their hands-on experience. CBC would like to extend their deepest appreciation to the legislative offices and Dr. Herbert Chiu for participating in this valuable program.

CBC thanks CBC President Charles Liu and CBC Vice President Dr. Herbert Chiu for coordinating the internship program.

## Message from Summer Intern

*Sorry I cannot make it to the Intern Recognition today (November 18, 2018).*

*I still would like to send my appreciation to you and CBC for offering such a great opportunity to students.*

*I was assigned to work in the Chamber of Commerce this summer, with many inspiring people such as Cindy, KK, Jennifer and Matt. We worked together to prepare the weekly Fremont Street Eats event, Fremont Festival of Art and creating research papers for the upcoming election. It was a great time working with them and I will always remember them in my life.*

*Thank you, Charles and CBC. You strive to live by your name: Citizens for (a) Better Community. You have definitely done so by spending your resource and passion on the roots, students, us.*

*Thank you,  
Kelsie Lam*

## Learning About Early Pioneering Chinese American on Monterey Peninsula

By Gerry Low-Sabado,  
5<sup>th</sup> Generation Chinese Fishing Village Descendant

The Board Members of the National Chinese American Citizens Alliance <http://www.cacanational.org/> visit [Wave Street Studios](#), the site of my Great Grandmother Quock Mui's, my Grandparent's, my Mother's, my Aunts', & my Uncles' home.

We visited the site where the McAbee Beach Chinese Village once stood and posed with the wonderful Monterey Bay Chinese Fishing Village Descendants Banner that Elaine Lee/Print 'N Graphics created for me. C.A.C.A., Salinas Lodge President Herb Wong's Mother and my Mother were born in this village in the early 1900's. Our Mothers were sisters and granddaughters of Quock Mui.

Munson Kwok and I, both descendants of the Pacific Grove Chinese Village, speak about the Chinese Junk (boat) on display at the Pacific Grove Museum of Natural History <https://www.pgmuseum.org/>. Our ancestors sailed from Southern China to the Carmel Point Lobos area in the early 1850's.

Visiting the Point Lobos Chinese Cabin. My Great Grandmother Quock Mui's photo is displayed in this cabin. Quock Mui was born in Point Lobos in 1859 and is the first documented Chinese female born in the Monterey Bay area.

The Monterey Bay Chinese Association's 2nd Chinese Cultural Festival was covered on KSBW and I was interviewed! Check out the link for more details. <https://www.ksbw.com/article/chinese-culture-celebrated-in-monterey/23390975>

## Visit to Ancestors Chinese Fishing Village

Thank you to Hopkins Marine Station Director Mark Denny and Beth Sheets for inviting the Monterey Bay Lion Dance Team to honor the history of the early Chinese fishing village with their ceremonial performance. I am so thankful to be invited to remember my ancestors and their early Chinese fishing village which long ago once stood on this very site, but was burned down on May 16, 1906. I so appreciate the "Change with Kindness" regarding Pacific Grove's Chinese American history. With great gratitude to Hopkins Marine Station for inviting and including us to share our historical family history and culture with their open house guests!

## SBCSC Scholarship Applications Now Available

I hope that you had an enjoyable, relaxing summer and now with the start of a new school year it is time again to prepare for the South Bay Chinese Service Club Scholarship Awards Program. The Program is entering into its 49th year of awarding scholarships to exemplary high school students of Chinese descent in our local community. Children of club members and students residing in Fremont, Newark, and Union City are eligible to apply. The purpose of the scholarship program is to recognize these talented students for their hard work and achievements, and to provide encouragement for the challenges ahead. The applicants are carefully evaluated based on academic achievement, leadership, community service, and extracurricular achievement.

The scholarship application form is available online at our website: <http://www.southbaychineseclub.org/2019-scholarships-information/>. The deadline to receive the application form is **Wednesday, February 21, 2019**. This year, with your help, our goal is to generate an equal or higher amount for our scholarship fund.

The scholarship awards will be presented during the annual scholarship banquet to be held on the evening of **Wednesday, April 10, 2019**, at the Mayflower Restaurant in Union City. Our guests will include applicants, donors, former award winners, club members, school counselors, and local officials. A special keynote speaker will address the graduates and the guests. This will be one event you do not want to miss next year so mark your calendar!

The names of the donors who make this program possible will be included in the program and other printed materials.
