## President's Message

*By Charles Liu*

Dear CBC Members and Friends,

Today, I want to tell you a true story about my first day in the United States. On October 2, 1989, I boarded an airplane from Hong Kong and flew to Los Angeles. Sitting right next to me on the airplane was a Nepalese American Suvas Vajracharya, going back to the U.S. from his trip to his original home country in Nepal. We spoke on the airplane and exchanged stories of our lives. He helped me through Los Angeles customs and everything was good. Then I couldn't reach my friend in Los Angeles, and I had no place to go, because the school I was going to, Deep Springs College, was still several hundred miles away and I had to find a place to stay. Then Suvas told me, 'why don't you come stay at my house?' I gladly did. And this was the first experience I got on my first day as a foreigner in this country. Now, the more important life lesson came the next day.

After a day of friendly treatment and free food, Suvas sent me to the Greyhound bus station to go to Bishop, the nearest town to Deep Springs College. Before I boarded the greyhound bus station, I told Suvas how appreciative I was to him, and then I asked, 'how can I ever return your favor and pay you back?' You know what Suvas told me? He said, 'just help the next person in need of help!'

During my upbringing in China, the teaching was always to return favors multiple times to those who helped you. It's all related to oneself. The answer from Suvas was unexpected to me and morally superior to

*Cont'd from page 1...President's Message*

what I knew. He did a good deed not expecting payback to himself, but it's a reflection of selfless altruism, and its spirit can clearly lead to building a better community if everyone follows it. This private citizen's good deed was the epitome of a great America with abundance of heart, and I was blessed to experience the warm embrace in this country, but it's also a constant reminder to me to elevate myself to Suvas' level.

After I got to Deep Springs College, I found this quote from Deep Springs College founder, L. L. Nunn, 'For what do you come to Deep Springs? You come to Deep Springs not to learn a trade, not for monetary gain, not for materialist pursuits, but for a life of service!' I almost thought Suvas was a Deep Springs graduate when I read this, but he was not. However, he clearly possesses the spirit of life of service. Today, he's the founder and CEO of Lightning Bolt Solutions, making Doctors scheduling software that helps tens of thousands of patients getting care smoothly.

From my first day's experience in the United States, to my involvement with CBC today, I found it fitting to share with all CBC members a famous quote from Dr. Martin Luther King, 'Life's most urgent and persistent question is - what are you doing for others?' May the spirit of service be with you. Thank you!

## **Christmas Party Celebration 2017**

*By Amy Cho*

CBC and sister organization, South Bay Chinese Club, recently held the 2017 Christmas party. Christmas seems like a long time ago! This joint event is a tradition that members enjoy every year. Our Christmas party took place on December 9, 2017, at Aegis Gardens Retirement Home in Fremont.

We were treated to "Make a Wish – Merry Christmas" show and performances this year! By popular demand, the same organizers from last year brought a new show to us again this year. Organizers were Dr. Hal Lim and Ms. Carmelita Chao of UNESCO CID SFS (United Nations' Educational, Scientific, and Cultural Organization, Conseil International de la Danse, San Francisco Section). Thanks to Hal and Carmelita for a wonderful afternoon of dances and elaborate costumes and props! Many dancers entertained CBC/SBCC members and Aegis Gardens residents. Lena Zee who is known to all of CBC and SBCC, also performed a rumba dance this year! This was an 'interactive' party, members and seniors danced too.

Dances were followed with boisterous Christmas carol singing. Beverly Moris played the piano while Yang Shao, David Lam, Lena Zee, SBCC President Joe Woo and CBC President Charles Liu led the members and residents. Not long after, more SBCC and CBC members joined these leaders at the stage to make very harmonious and energetic singing for the residents.

*Cont'd from page 2....Christmas Party*

Santa distributed presents to seniors at Aegis Gardens as well as seniors from CBC and SBCC. Thanks to Santa (Past SBCC President Randy Sabado) and Mrs. Santa (Gerry Low Sabado)! This was an opportune time to get a Christmas/Santa picture for families. Many photos were taken.

As for the preparations before, it took a team of people to prepare the hundred-some presents for the seniors. CBC/SBCC members Aliene Yee, Lorrie Wong, Gerry Low Sabado, and Cecilia Leon wrapped them each individually! They also made many other preparations. CBC and SBCC leave these little presents as a happy memory for the seniors. The dinner was superb. CBC/SBCC provided hot, freshly cooked Chinese food and Aegis Gardens topped that off with even more entrees. Dessert, drink, holiday dinnerware and other materials were all provided by Aegis Gardens. The dining room was festive and very, very cozy. Members had a chance to catch up with friends whom they had not seen for a while.

Unwrapped toys and food items were collected for the local Tri-City League of Volunteers (LOV) organization. Donated toys and food items were especially abundant this year. Committee members included: Lorrie Wong, Aliene Yee, Cecilia Leon, Joe Zerda, Maelene Wong, Amy Cho, Steve Cho, Gerry Low Sabado, Randy Sabado and Midji Rovetta. Finally, thanks to all of Aegis Gardens' warm and energetic staff and especially Aegis Gardens' Program Activities Director, Amy Yang.

The Christmas parties are always memorable. We share Christmas with the seniors, do something for our community with the toy and food donations, and have a great time for ourselves...all at the same time! Now that Christmas and the holidays are over, it's time to get on with 2018.

## Upcoming Events...

### CBC to Co-Host Annual Chinese New Year Celebration “Year of the Dog”

By Amy Cho

Citizens for Better Community, South Bay Chinese Club and the Fremont Main Library will again celebrate the Chinese New Year on **Saturday, February 24, 2018**, from 1 p.m. – 4 p.m. This year we celebrate the Year of the Dog! The official date for the new lunar year was February 16, 2018.

This event is for families, youngsters and anyone interested in Chinese culture. Craft booths will fill the library. Last year, Paper Cutting was featured on one side of the Children’s Library. On the other side in the Storytime Theater, other children’s crafts could be found. The children have tons of fun while they observe the demonstrations. They also get hands-on experience doing the crafts themselves and taking their own work home! This year, Calligraphy and a new activity for children will be added.

Don’t miss the entertainment program, which takes place from 1 p.m. – 2 p.m. in the Fukaya Room. The performances include instruments, singing, and dance. It is fascinating to see the talents we have right here in our own community. Crafts will be open from 2 p.m. - 4 p.m., right after the performances end.

**Volunteers are always appreciated:** We are looking for members who can volunteer 2 hours of their time on Friday afternoon, February 23 around 1:30 p.m. to help decorate. We also can use volunteers on Saturday, February 24 from 1 p.m. to 4 p.m. for the Chinese New Year event. Help is always needed with children’s crafts and many other areas. If you know of others who might have crafts to demonstrate, please also let us know. All the supplies will be provided! We appreciate your time and effort. Please call Amy Cho at (510) 797-6426.

The keynote speaker will be Suzanne "Sue" Lee Chan, daughter of immigrant parents from the Toisan region of China, born and raised in Peoria, Illinois, at a time when ethnic diversity was essentially non-existent. Working in the family owned Chinese restaurant, she learned firsthand the importance of hard work, which instilled a lifelong strong work ethic that has been a guiding principle and motivator.

Sue earned a Bachelor of Science in Microbiology from the University of Illinois and a Master of Science in Immunology with Honors at Cal State Los Angeles. She has been a clinical bacteriologist, researcher at the National Institute of Health and adjunct professor at number of Bay Area Colleges.

A longtime community activist and leader, Sue was elected to the Fremont City Council in 2008 and served as Vice Mayor in 2011 and 2015.

Sue proudly represents her Asian Pacific Islander community with passion and heart that has led to leadership positions on local, county, state, and national levels. She is the Immediate Past President of the League of California Cities API Caucus where she also serves on the Board of Directors and the National

Sue is currently co-teaching an Asian Pacific Islander Leadership course at Cal State East Bay – in a continuing effort to inspire, encourage, and mentor the next generation as they become leaders in their own right.

She also serves on a number of Regional Boards and is active in many non-profit groups.

A strong advocate for ethnic diversity, affordable housing, access to health, senior services, and veteran's affairs, Sue continues to fight for those less fortunate and in need. Her efforts have been recognized with several awards:
